THE RHUE SERIES

An exhibition of Photo painting by

DOMINIQUE GAIS

26 Aug—31 Oct 2017

A French artist who spent time in Rhue, Scotland during the winter of 2017. This work is in response to the environment surrounding Rhue and the collaboration between her and Landscape painter James Hawkins. The infinite variations of nature are the basis of her creation; she uses these elements by changing their context. Her paintings and her "photo-paintings" describe a dreamed reality, expressive, trying to show the abstraction of nature.
